**To try our best at everything we do**

Wednesday 27th September 2017

Dear Parents / Carers

#### **Mathletics**

A few years ago our Federation invested in a new homework tool for maths, called Mathletics. Mathletics, when used regularly, is proven to increase attainment in maths. Additionally, the program has been designed to be fun and interactive. It allows the children to independently learn through the use of a virtual teacher.

Your child will have access to the Mathletics website if they have access to the internet at home through a unique username and password. The passwords will be reissued next week. Please ask your child's class teacher if you don't have one.

We recommend that you spend time looking at the program with your child to explore how Mathletics will benefit his or her learning.

We hope that you continue to enjoy using Mathletics.

Yours sincerely

Sam Briston  
Maths Co-ordinator  
North Wolds Federation
