

# SPRING BINGO

## FRIDAY 27<sup>th</sup> APRIL

Just a reminder that Bingo will take place at Nettleton Village Hall on Friday at 7pm. There are lots of fabulous prizes to be won and fun to be had for all ages.

Come along and join in the fun!

If you are unable to attend this time there will be many more exciting events coming up throughout the year.

Friends of Nettleton Primary School is run by volunteers for the sole purpose of raising funds for the school. Every little that you do benefits each and every child.

We help to pay for swimming, school trips and a visit to the pantomime at Christmas. We **cannot** do this without your help whether it be supporting events such as Bingo or donating prizes. Please do continue to bring any donations large or small to the school office at any time. It is thanks to your generosity that we can make the time at Nettleton School all the more memorable for the children. Thank you for your support so far this year and we look forward to seeing you soon!
