Tuesday 18<sup>th</sup> December 2018

Dear Parents and Carers

### **Holiday Homework & WOW Day**

To continue our successful IPC curriculum after the Christmas holiday, the children in Class One will be focusing on a new topic.

From January until the Easter Holiday, we will be looking at the IPC topic, 'We Are What We Eat'. We will be learning all about different foods, countries of origin and how they are grown or made. We will also be looking at food in art and how to prepare a healthy meal. We aim to have a mid-topic trip to Tesco to consolidate our learning, and end the unit by creating our own healthy pizzas and inviting parents and carers into our 'restaurant'. We hope to join the Key Stage One classes at Market Rasen to do this.

As part of the theme, we will be launching with an exciting '**WOW**' day on **Monday 7th January 2019**. During this day, we will be turning our classroom into a pretend café and will role play being the customers, waiters and kitchen staff. Children are not required to dress up for this day.

To help the children prepare for this unit, for their homework we would like them to visit a café or restaurant over the Christmas holiday. Allow your child to look at the menu to see how it is organised and what information there is on it, including discussing the prices. The children can then produce their own menu with all of their favourite foods on. Subheadings could be used to show starters, mains and desserts. We look forward to this delicious homework!

Yours sincerely

Mrs Clayton and Mrs Watson
