Dear Parents/Carers

Loose Parts List Outdoors and Indoors

We are committed to improving the children at Nettleton Community Primary School play time resources, and by doing so we use loose parts in our outdoor and indoor learning and play. Loose parts are materials that children can move, manipulate, control, combine, and change throughout their play. They enable children to experiment without a pre-determined outcome or a 'right' way to do things.

We are increasing our loose parts collection from a range of materials that children can use in their play. *Please see our list below.* If you have any items you wish to donate we would be very grateful. Please ensure all items are safe for children to handle. If you are unsure please ask.

We look forward to enhancing our loose parts play space for the children to explore.

Thank you for your support.

Your sincerely

Mrs Watson
Class teacher
