## Supporting families 'earlier, better, together'

We already have some great services for families in Lincolnshire, particularly in our children's centres, where, for example, you can access things like baby massage, play and learning activities or have your child's health review.

Excitingly, Lincolnshire is now part of the national Start for Life and Family Hubs programmes, which will help us develop new-and-improved services. This will help families get the right support at the right time.

It means we will be able to support you:

- ✓ **Earlier** - investing further in baby's first 1,001 critical days of life
- ✓ **Better** - improving outcomes by focusing on what we know works
- ✓ **Together** - working in partnership with families and communities

Look out for opportunities to participate in these exciting new developments. To get involved, talk to a member of staff in your local children's centre.

Support is available to **all** Lincolnshire families which includes children from 0-19 (or up to 25 for those with special educational needs and disabilities).
